Dear Dan:

Returned herewith are two fully executed copies each for Amendment No. 25 to Contract A-101, and Amendment No. 8 to Contract NY-A-501, including general research coverage effective 1 January 1959 through completion of the contracts.

In our letter dated 26 June 1961, CMCC Doc. No. 151x5.1835, we requested your concurrence on our proposed method of allocating costs in accordance with the plan outlined. This is the only open item that is delaying the final billing and closing statements on these contracts. I would appreciate your concurrence.

In accordance with the above noted amendments, forwarded herewith is one copy each of our 1959 and 1960 General Research Project Reports.

Sincerely,
